

CALLING ALL MANHATTAN TENANTS!

- Join tenant and housing advocates from across Manhattan for this critical borough-wide meeting.
- After passing in the NYS Assembly, the bill to repeal vacancy decontrol is now in the Senate's hands.
- Vacancy decontrol allows landlords to remove apartments from rent-regulation, encouraging them to harass tenants out of their homes and jack up our rents.
- Come for the latest updates from Albany and to strategize with our allies in government on how we can protect NYC's affordable apartments!

¡ATENCIÓN INQUILINOS DE MANHATTAN!

- Reúnanse con WSNA, HCC e inquilinos por todo de Manhattan para esta reunión muy importante.
- Nuestros aliados en la asamblea estatal aprobaron la legislación para abrogar el descontrol de vacantes, y ahora el senado necesita tomar acción.
- La ley del descontrol de vacantes permite que los dueños de los edificios puedan sacar los apartamentos de la regulación de renta y también apoya el acoso de los inquilinos y el aumento masivo de renta.
- ¡Vengan para saber las novedades de Albany y participar con nuestros aliados senadores para proteger la vivienda económica de NYC!
